Blue Whale Themed Games, Activities, Contests & Prizes All Day Long!

Join us for the Grand Opening of Jersey City's new Sports & Fitness Club for kids of all ages - and adults are welcome too - to lounge, work, get a coffee & sandwich or a full workout in our 10,000 square foot facility. 240+ hours of programming per month. Billy the Blue Whale & Friends Experience is a 2-hour journey through various stations where games and contests are played. We are open 7 days a week, 12+ hours per day, with special events on weekends.

We have a support staff on hand, and sessions are led by professional athletes and coaches including Founder, Arman Rousti, a former All-Ivy League Student-Athlete who currently coaches and mentors youths in NJ and is on the Board of Jersey City Soccer Association (JSCA).

Come through to meet our athletic characters - Billy, Nelly, Solara the Phoenix, Ignis the Fire Lion, Aurora the Star Wolf - from a magical story, as they bring Basement Sports to life.
